Eligibility Criteria to be met prior to proceeding for a diploma in medicine or a diploma in dentistry for students wishing to be subsequently registered as doctors or dentists in Mauritius

The Public is hereby informed that the Medical and Dental Council Acts have been amended by the Economic and Financial Measures (Miscellaneous Provisions) Act 2012. A person enrolling on a course leading to a diploma in medicine or a diploma in dentistry, who wishes to be subsequently registered to practice medicine or dentistry in Mauritius, shall produce, prior to embarking on a diploma in medicine or a diploma in dentistry, a certificate that he has passed at one sitting any 3 subjects at Advanced 'A' Level (or its equivalent) with a minimum of 21 points, based on the following scale (or such equivalent scale as may be approved by the Councils on the recommendation of the Ministry responsible for the subject of education).

A Level Grade	A Level Points
A+	10
A	9
B	8
C	7
D	6
E	4

The above amendments are in force as from 01 January 2013. However, these measures do not apply to a person who has already enrolled on a course leading to a diploma in medicine or a diploma in dentistry prior to 01 January 2013.
